Moto Auto Group announces the listing in effect as of May 2008. Moto Auto Group AG is a Swiss corporation with the goal of exporting Chinese motor vehicles into growing markets. Their Brand Moto is yet to be established. Moto Auto Group with secured distribution rights for six Chinese manufacturers already well established in its home markets has a broad line up of 16 types of vehicles ranging from compact cars to buses. For the purposes of distribution of their vehicles the Moto brand name has been created.

The vehicles will be offered in different regional markets, starting in Latin America and Africa including the Middle East. Joint distribution channels will offer clients a full range of services such as repair shops, spare parts and financing. This will be in close cooperation with local partners in each region.
